

Kingdom of Saudi Arabia
King Saud University

CURRICULUM VITAE

Khalid A. Al Wazzan
BDS, Certif. Prostho, MS.

Personal Data

Name: Khalid A. Al Wazzan.

Date of birth: November 28, 1962.

Nationality: Saudi.

Place of work: Department of Prosthetic Dental Sciences, College of Dentistry, King Saud University.

Academic Rank: Professor.

Major: Prosthodontics.

Languages: English and Arabic.

Contact Data:

Address: King Saud University
College of Dentistry
Prosthetic Dental Sciences Department
P.O. Box 60169
Riyadh 11545
Saudi Arabia

Phone: (+966-1) 467-7216

Fax: (+966-1) 467-9015

Mobil: (+966) 505400451

E-mail: alwazzan@ksu.edu.sa

Website: <http://faculty.ksu.edu.sa/alwazzan/>

Current Positions

- Dean, College of Dentistry, King Saud University.
- Member of the Board of Trustees of the Saudi Commission for Health Specialties.
- Editor-in-Chief, the Saudi Dental Journal.
- Professor and Consultant of Prosthodontics, Department of Prosthetic Dental Sciences, College of Dentistry, King Saud University.
- Chairman of the Committee of Deans of Colleges of Dentistry in Saudi Arabia.

Academic Degrees

1. Master of Science (MS), Graduate College, Marquette University, Milwaukee, Wisconsin, USA. May 23, 1993.
2. Certificate of Prosthodontics, Marquette University, School of Dentistry, Milwaukee, Wisconsin, USA, July 1990 – May 17, 1992.
3. Bachelor of Dental Surgery (BDS), college of Dentistry, King Saud University, Riyadh, Saudi Arabia. February 17, 1988.

Employment History

- Professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from November 29, 2006 up to present.
- Associate professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from June 9, 2002 up to November 28, 2006.
- Assistant professor, Department of Prosthetic Dental Science, College of Dentistry, King Saud University, from March 15, 1997 up to June 8, 2002.
- Lecturer, Department of Restorative Dental Science, College of Dentistry, King Saud University, from August 29, 1993 up to March 14, 1997.
- General Practitioner, College of Dentistry, King Saud University, from February 7, 1989 up to August 28, 1993.

Administrative Assignments

- Dean, College of Dentistry, King Saud University from May 15, 2010 up to date.
- Editor-in-Chief, the Saudi Dental Journal, from April 7, 2010 up to date.
- Chairman of the Committee of Deans of Colleges of Dentistry in Saudi Arabia since April 26, 2011 up to date.
- Consultant, Vice Rectorate for Graduate Studies and research, King Saud University from August 15, 2009 up to May 15, 2010.
- Director of clinics, college of Dentistry, King Saud University, from December 4, 1994 up to April 16, 2001.
- Director of Laboratory, university campus, college of Dentistry, King Saud University, from April 26, 1994 up to April 22, 1995.

Councils

- Member of King Saud University Board, from May 15, 2010 up to date.
- Member of Deans Board, King Saud University, from May 15, 2010 up to date.
- Head of College of Dentistry Board from May 15, 2010 up to date.
- Chairman, The Advisory Board, College of Dentistry, King Saud University, from June 18, 2011 up to date.
- Member of the Board of Trustees of the Saudi Commission for Health Specialties from May 15, 2010 up to date.
- Member of College of Dentistry board, Majmaah University, for the academic year 2010/2011, the academic year 2011/2012.
- Member of Health Services the Board in the Kingdom of Saudi Arabia, from May 15, 2010 up to September 9, 2010.
- Member of Scientific Council, King Saud University, from August 10, 2007 up to July 19, 2009.
- Member of College of Dentistry board, King Saud University, for the Academic year 2007/2008, 2001/2002, 2000/2001 and 1999/2000.
- Member of the Saudi Dental Society board of directors, from January 19, 1994 up to February 19, 2004.

Consultancy & Referees:

- Consultant, college of dentistry, Qassim University, Buridah, Saudi Arabia, from May 26, 2009 up to May 14, 2010.
- Member of the Advisory Committee for research policies and strategies, Vice Rectorate for Graduate Studies and Scientific Research, King Saud University, from January 6, 2010 up to date.
- Member of the team preparing the strategic plan for education and learning, Vice Rectorate for Educational and Academic Affairs, King Saud University, from March 20, 2010 up to May 15, 2010.
- Senior Researcher and member of the management team of the Dental Implant and Osseointegration Research Chair, King Saud University.
- Member of the team preparing the Strategic plan for the King Saud University 2009-2030.
- Member of the team preparing the Health Education Study in the Future Plan (2005-2055) for Higher Education in the Kingdom of Saudi Arabia (AAFAQ), King Abdullah Research & Consulting Institute, King Saud University, April-September 2006
- Evaluation of promotion application for Saudi Universities in the field of Prosthodontics.

- Evaluation of research manuscript in the field of Prosthodontics submitted for publication in Saudi, regional and international Journals.
- Evaluation of research projects proposals in the field of Prosthodontics submitted to the research centers at the Saudi universities.

Scientific Publications

A. Master of Science Thesis

Al Wazzan KA. The Accuracy of removable die system in the fabrication of implant frameworks. MS thesis May 23, 1993. Graduate School, Marquette University, Milwaukee, Wisconsin, USA.

Director: Prof. Gerald J. Ziebert

B. Books

1. Al Bagieh N, **Al Wazzan KA**: Infection Control in Dental Practice. A chapter in "Textbook of Oral Medicine", Prabhu SR. Oxford University press, 1st ed., 2004: 20-32.
2. AL-Jarallah JS, **Al Wazzan KA**, et al: Ethics of the medical profession: A manual guide for medical practitioners. Saudi council for health specialties, 2nd edition, 2003. (in Arabic and English)
3. Al Bagieh N, **Al Wazzan KA**, et al: Infection control procedural manual. College of Dentistry, King Saud University, 1999.
4. AL-Jarallah JS, **Al Wazzan KA**, et al: Ethics of the medical profession. Saudi council for health specialties, 1st edition, 1999. (in Arabic and English)

C. Peer Reviewed Publications (Papers Published in Academic, Specialized, and Refereed Journals)

1. Syam WP, Al-Shehri HA, Al-Ahmari AM, **Al Wazzan KA**, Mannan MA: Preliminary fabrication of thin-wall structure of Ti6Al4V for dental restoration by electron beam melting. Rapid Prototyping Journal, accepted for publication in 2011.
2. Al Ali K, **Al Wazzan KA**, Al Amri MD, Al-Shahrani A, Al-Shahrani M, Al-Qahtani H: Assessment of convergence angle of full veneer preparations carried out by practitioners with different levels of experience. Saudi Dent J. 2009 January-April; 21(1):37-44.
3. Almas K, **Al Wazzan K**, Al Hussaini I, Al-Ahdal KY, Khan NB: Temporomandibular Joint Status, Occlusal Attrition, Cervical Erosion and Facial Pain among Substance Abusers. Odonto-stomatologie tropicale, March 2007; 30 (117): 27-33.
4. **Al Wazzan KA**, Al Hussaini IS: The Influence of Commercially Pure Titanium and Titanium-Aluminum-Vanadium alloy on the Final shade of Low-Fusing Porcelain. J Contemp Dent Pract, 2007 February; 8 (2): 097-104.
5. **Al Wazzan KA**, Al-Nazzawi AA: Marginal and Internal Adaptation of Commercially Pure Titanium and Titanium-Aluminum-Vanadium Alloy Cast Restorations. J Contemp Dent Pract, 2007 January, 8 (1); 019-026.
6. **Al Wazzan KA**, Almas K, Al Hussaini I, Al-Ahdal KY, Khan NB: Oral health status, hygiene practices and treatment needs among substance abusers. Egyptian Dental Journal.

21. **Al Wazzan KA**, Al Tahawi HM, Al Harbi AA: Influence of several materials on the bond strength of glass polyalkenoate to dentin. *Saudi Dent J*. 2001 January; 13 (1): 10-15.
22. **Al Wazzan KA**: The effect of eugenol-containing temporary cement on the bond strength of two resin composite cement materials to dentin. *Egyptian Dent J*. 2000 July; 46(3): 1335-1340.
23. **Al Wazzan KA**, Al Harbi AA, Hammad IA: The effect of eugenol-containing temporary cement on the bond strength of the two composite resin core materials to dentin. *J Prosthodont*. 1997 March; 6(1): 37-42.
24. Al Dosari AM, **Al Wazzan KA**, Al-Garni M, Abdulmajed A: Tooth loss pattern and edentulousness among 1400 Saudi patients. *Cairo Dent J*. 1997 March; 13(1): 31-34.
25. Hammad I, **Al Wazzan KA**: The effect of over glazing on the color of ceramometal complex. *Cairo Dent J*. 1996 March; 12(1): 51-63.
26. **Al Wazzan KA**, Al Shammery H, Salama M, Shinawi L: Dental midline among Saudi patients. *Cairo Dent J*. 1995 November; 11 (3): 159-162.
27. **Al Wazzan KA**, Al Haidan A, Al Madi E, Al Mufarj A: The relationship between facial references and mesiodistal width of maxillary anterior teeth among Saudi patients. *Alexandria Dent J*. 1995 October; 20 (4): 39-45.
28. **Al Wazzan KA**: Variation in mesiodistal crown width and amount of tooth exposure between right and left maxillary anterior teeth. *Egyptian Dent J*. 1995 July; 41 (3): 1283-1286.

Thesis supervisions

1. Huda A. Al-Shehri: Adaptation of Titanium Copings Fabricated by Electron Beam Melting. Master thesis On progress. College of Dentistry, King Saud University.
2. Wahyudin Permana Syam: A New Application of Electron Beam Melting for Coping of Dental Metal-Ceramic Crown Restoration. Master thesis defended January 31, 2011. College of Engineering, King Saud University.
3. Fawzia S. Al Zahrani: Influence of Post Length on Bond Strength of Fiber Post and Fracture Resistance of Endodontically Treated Teeth. Master thesis defended July 3, 2010. College of Dentistry, King Saud University.
4. Nada K. Al-Mazrow: Bond Strengths of Three Low-Fusing Ceramics to Ti-6Al-4V and Ti-6Al-7Nb Alloys. Master thesis defended December 4, 2007. College of Dentistry, King Saud University.
5. Ahmad A. Al Nazzawi: The Effect of Recasting Pure Titanium and Titanium Alloy on the Fit of Cast Restorations. Master thesis defended June 13, 2005. College of Dentistry, King Saud University.
6. Ibrahim S. Al Hussaini: Effect of Surface Treatment on Bond Strength of Low Fusing Porcelain to pure Titanium. Master thesis defended May 23, 2004. College of Dentistry, King Saud University.

Thesis Examination:

1. Amal S. Al Qahtani: A comparison of dimensional accuracy of the splinted and un splinted impression techniques for multiple implant abutments. Master thesis defended November 13, 2007. College of Dentistry, King Saud University.
2. Youssef A Almohimeed: Accuracy of casting: Single cast three-unit fixed partial denture versus single crown. Master thesis defended February 13, 2001. College of Dentistry, King Saud University.

Scholarships and Awards:

- The Honored Student for the academic year 1987/1988, College of Dentistry, King Saud University.

Membership in Professional Organizations

- Saudi Dental Society. Honorary member , Riyadh, Saudi Arabia
- International College of Prosthodontists. Constituent member, San Diego, CA, USA.
- German Association of Dental Implantology. Active member, Duesseldorf, Germany.
- Saudi Osseointegration & Dental Implantology club. Founding Member, Riyadh, Saudi Arabia.

Participation in Conferences and Symposia

A.Lectures and Papers

1. Participation in the Second World Conference for Higher Education Students in Saudi Arabia by research paper entitled (A New Application of Electron Beam Melting for Coping of Dental Metal-Ceramic Crown Restoration), presenter by Postgraduate Student Wahyudin Permana Syam. Organized by the Ministry of Higher Education, March 28-31, 2011, Jeddah, Saudi Arabia. The paper won second place in the health sciences.

2. 3^{ed} (2008) Infection control in the Dental clinics in Riyadh region symposium. March 26-26, 2008 Riyadh, Saudi Arabia. Invited Speaker, lecture presentations entitle "Bloodborne Pathogens in the dental office and Infection Control".
3. 2nd Infection control and sterilization/disinfection symposium. January 2-3, 2008 Al-Madinah Al-Munawarah. Invited Speaker, two lecture presentations entitle "Bloodborne Pathogens in the dental office and Infection Control" and "Personal Protective Equipments in Dental Care Facility".
4. The 18th Saudi International Dental Congress, January 29-31, 2007 Riyadh Saudi Arabia. Invited Speaker, Lecture presentation entitles "Dental Education in Saudi Arabia: Reality and Vision".
5. Dentistry towards New Frontiers Symposium, December 9, 2006 King Fahad Specialist Hospital, Buraidah, Al-Qassim, Saudi Arabia. Lecture entitles "Restoring Endodontically Treated Teeth".
6. The 17th Saudi International Dental Congress, January 28-31, 2006 Riyadh Saudi Arabia. Paper presentation entitles "The Influence of Commercially Pure Titanium and Ti-6Al-4V Alloy on the Final Shade of Low-Fusing Porcelain".
7. The Saudi dental society annual scientific and IADR Saudi Arabia section meeting, January 10-13, 2005 Riyadh Saudi Arabia. Paper presentation entitles "Bond Strength of Porcelain to Titanium and Titanium Alloy, a Comparative Study with Conventional Metal-Ceramic Systems".
8. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 17-19, 2004 Riyadh, Saudi Arabia. Paper presentation entitles "Dental Caries Prevalence in Primary schoolchildren in Riyadh region: A 14 years follow-up study of the Oral Health Survey of Saudi Arabia Phase I".
9. Monthly scientific activities, Saudi Dental society, October 12, 2003 Riyadh, Saudi Arabia. Lecture entitles "Restoring Endodontically Treated Teeth Prior Fixed Prosthodontic Care".
10. Monthly scientific activities, Saudi Dental society, September 28, 2003 Al-Khobar, Saudi Arabia. Lecture entitles "Endodontically Treated Teeth as Abutment for Fixed Prosthodontic Work".
11. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 4-6, 2003 Riyadh, Saudi Arabia. Paper presentation entitles "The visible portion of anterior teeth at rest" and lecture entitles "Media and medical ethics".
12. The Saudi dental society annual meeting, January 23-25, 2001 Riyadh, Saudi Arabia. Lecture entitles "Quality assurance in the university Dental clinic system".
13. The 11th Saudi international dental meeting, February 28, to March 2, 2000 Riyadh, Saudi Arabia. Paper presentation entitles "Influence of Eugenol, Zinc Oxide, Iodine Potassium Iodide, Epoxy Resin and Calcium Hydroxide on the bond strength of Ketac-Silver to dentin".
14. Scientific lectures program, Administration of schools health units of Riyadh region, Ministry of education, November 2, 1999 Riyadh, Saudi Arabia. Lecture entitles "Ethics and regulation in dentistry".
15. The annual meeting of the Saudi Dental society, September 5-6, 1999 Riyadh, Saudi Arabia. Lecture entitles "Ethics in Dental Practice" and "Rules and regulation to practice dentistry in Saudi Arabia".
16. The 17th Jordanian Dental Congress, Jordan Dental Association, September 19-22, 1999 Amman, Jordan. Lecture entitles "Importance of sterilization and disinfection in dental practice".
17. Infection control symposium, Ministry of Health, December 15-16, 1998 Riyadh, Saudi Arabia. Lecture entitles "Importance of sterilization and disinfection in dental practice".
18. The 10th Saudi international dental meeting, March 23-26, 1998 Riyadh, Saudi Arabia. Paper presentation entitles "The effect of eugenol-containing temporary cement on the bond

- strength of two resin composite", poster entitles "Back & Neck Problems among Dentists and Dental Auxiliaries, Riyadh, Saudi Arabia" and poster entitles "Ocular Problems among Dentists and Dental Auxiliaries in Riyadh, Saudi Arabia".
19. The 9th Saudi international dental meeting, January 15-18, 1996, Riyadh, Saudi Arabia. Paper presentation entitles "The effect of eugenol on the bond strength of composite resin core material to dentin" and poster entitles "Mandibular Flexure".
 20. The restorative symposium, Saudi Dental Society, April 21, 1994 Riyadh, Saudi Arabia. Lecture entitles "Restorative treatment under crowns and bridges: simple filling, build-ups, and post and core".
 21. The 72nd International Association of Dental Research, March 10-13, 1994 Seattle, Washington, USA. Poster entitles "The Accuracy of removable die system in the fabrication of implant frameworks".
 22. The 8th Saudi international dental meeting, January 17-20, 1994 Riyadh, Saudi Arabia. Paper presentation entitles "The Accuracy of removable die system in the fabrication of implant frameworks".
 23. The 6th Saudi dental meeting, January 29-February 1, 1990 Riyadh, Saudi Arabia. Poster entitles "Labial veneers".
 24. The 5th Saudi dental meeting, February 29-March 3, 1988 Riyadh, Saudi Arabia. Poster entitles "Interpretation of laboratory test for patients with history of viral Hepatitis-B".

B. Organizing Conferences and Symposia

1. Chairman of organizing committee, The King Saud University 14th International Dental Conference and the 23rd for the Saudi Dental Society, February 6-8, 2012, Riyadh, Saudi Arabia.
2. Member of organizing committee, head of audiovisual committee. The King Saud University 13th International Dental Conference and the 21st for the Saudi Dental Society, February 8-10, 2010, Riyadh, Saudi Arabia. With poster entitles "The Effect of Post Length and Cement type on the Restoration of Locator Attachment".
3. Member of organizing committee, head of audiovisual committee and member of the scientific committee. The 12th Saudi international dental meeting, April 12-15, 2008 Riyadh, Saudi Arabia.
4. Member of the scientific committee. Applying Fiqh rules on Medical question symposium, January 14-16, 2008, Riyadh, Saudi Arabia. Organized by Religious Affairs, General Directorate of Health Affairs Riyadh Region, Ministry of Health.
5. Member of the scientific committee. The 17th Saudi International Dental Congress, January 28-31, 2006 Riyadh Saudi Arabia.
6. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 17-19, 2004 Riyadh, Saudi Arabia.
7. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, January 4-6, 2003 Riyadh, Saudi Arabia.
8. Member of the scientific committee. The Sterilization and Disinfection in Dentistry symposium, May 22-23, 2002, King Fahad specialist hospital, Buraidah, Al-Qassim, Saudi Arabia.
9. Member of the organizing committee. The annual scientific and membership meeting of the Saudi dental society and General assembly meeting of the IADR Saudi Arabia section, February 5-7, 2002 Riyadh, Saudi Arabia.
10. Member of the organizing committee. The Saudi dental society annual meeting, January 23-25, 2001 Riyadh, Saudi Arabia.
11. Member of organizing committee and head of audiovisual committee. The 11th Saudi international dental meeting, February 28, to March 2, 2000 Riyadh, Saudi Arabia.

12. Member of the organizing committee. The annual meeting of the Saudi Dental society, September 5-6, 1999 Riyadh, Saudi Arabia.
13. Member of the organizing committee. The annual meeting of the Saudi Dental society, September 30- October 1, 1998 Riyadh, Saudi Arabia.
14. Member of organizing committee and head of audiovisual committee. The 10th Saudi international dental meeting, March 23-26, 1998 Riyadh, Saudi Arabia.
15. Member of the organizing committee and head of audiovisual committee. The 9th Saudi international dental meeting, January 15-18, 1996, Riyadh, Saudi Arabia.
16. Head organizing committee. The Pediatric Dentistry symposium, Saudi Dental Society, August 10, 1995 Riyadh, August 17, 1995 Jeddah, August 24, 1995 Dammam, Saudi Arabia.
17. Head organizing committee. The Prosthodontic symposium, Saudi Dental Society, September 15, 1994 Riyadh, September 22, 1994 Jeddah, September 29, 1994 Dammam, Saudi Arabia.
18. Member audiovisual committee. The 8th Saudi international dental meeting, January 17-20, 1994 Riyadh, Saudi Arabia.

Continuing Educational Courses in the Dental field

1. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", February 16, 2011, Saudi Commission for Health Specialties, Dental Training Programs, Riyadh, Saudi Arabia.
2. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", March 31, 2010, Saudi Commission for Health Specialties, Dental Training Programs, Jeddah, Saudi Arabia.
3. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", December 22, 2009, Saudi Commission for Health Specialties, Dental Training Programs, Riyadh, Saudi Arabia.
4. Attending 5 days workshop entitles "Clinical Concepts in Implant Dentistry", August 4-8, 2008, Universities of Berne and Geneva, held in University of Berne, Berne, Switzerland.
5. Attending 3 days workshop entitles "1st Implant training workshop", July 7-9, 2008, King Saud University, College of Dentistry in collaboration with Nobel Biocare University Partnership Program, Riyadh, Saudi Arabia.
6. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", April 30, 2008, Saudi Commission for Health Specialties, Pedodontics Training Program and Restorative Training Program, Riyadh, Saudi Arabia.
7. Presenting a half day continuing education course entitles "Restoring Endodontically Treated Teeth", April 23, 2008, Saudi Commission for Health Specialties, Restorative Training Program, Riyadh, Saudi Arabia.
8. Presenting a full day continuing education course entitles "Ethics and regulation in dentistry", May 16, 2007, Saudi Commission for Health Specialties, Pedodontics Training Program and Restorative Training Program, Riyadh, Saudi Arabia.
9. Presenting a half day continuing education course entitles "Ethics and regulation in dentistry", May 10, 2006, Saudi Commission for Health Specialties, Pedodontics Training Program, Riyadh, Saudi Arabia.
10. Presenting a two days Continuing education course entitles "Sterilization and Disinfection in Dentistry", May 22-23, 2002 King Fahad Specialist Hospital, Buraidah, Al-Qassim, Saudi Arabia. Present 3 lectures and 2 workshops.

Continuing Educational Courses in the Administration, Quality, Accreditation and Medical education fields

Attending several workshops and seminars in the field of Administration, Quality and Accreditation, some of them:

1. Attending Elsevier Middle East Editors Conference. October 1-2, 2011, Amman, Jordan.
2. Attending 5 days of the Teaching and Assessment Course, July 4-8, 2011. Center for Medical education, University of Dundee, Dundee, Scotland, UK.
3. Attending Harvard Macy Institute: Program for Educators in the Health Professions. Part 1: January 9 - 19, 2011. Part 2: May 15 - 20, 2011. The Harvard Medical School, Harvard University, Boston, Massachusetts, USA.
4. Attending workshop entitled (Teaching How to Teach), November 30 – December 2, 2010. Sponsored by Vice Rectorship for Health Specialties, King Saud University, Riyadh, Saudi Arabia. In collaboration with Partners Harvard Medical International.
5. Attending workshop entitled (Peer Consultation Training for Improving Teaching), Given by Prof. William Buskist, October 31- November 1, 2010, Dean ship of Skills Development, King Saud University, Riyadh, Saudi Arabia.
6. Attending workshop entitled (Future Views to Interdisciplinary Postgraduate Studies in the Health Colleges, King Saud University), September 29, 2010. Sponsored by Vice Rectorship for Health Specialties, King Saud University, Riyadh, Saudi Arabia.
7. Attending workshop entitled (Preparation skills of objective questions and tests), June 11, 2009. By Dr. Abdullah AlGatai, Head of the unit of measurement & tests in the National Center for measurement and evaluation in higher education. Sponsored by College of Dentistry, King Saud University, Riyadh, Saudi Arabia.
8. Attending workshop entitled "Strategies for Higher Education: the British experience" March 17, 2009. By SIR. Michael Barber chief consultants of McKinsey & Company. Sponsored by Strategic Plan project, King Saud University, Riyadh, Saudi Arabia.
9. Attend a workshop entitled "Strategic plan", February 22, 2009. By Prof. Jay B. Barney from Fisher College of Business Ohio State University, United States of America. Sponsored by King Abdullah Institute for Research and Consulting Studies, King Saud University, Riyadh, Saudi Arabia.
10. Attending half day workshop entitles "Major Factors of Success and Failures in Preparing and Implementing Strategic Plan for an Academic Organization", November 4, 2008. By Prof. Lee Sing Kong Director of National Institute of Education, Nanyang Technological University in Singapore. Sponsored by Strategic Plan project, King Saud University, Riyadh, Saudi Arabia.
11. Attending 5 days workshop entitles "Driving Academic Excellence in 21st century, A best Practice perspective", August 11-15, 2008, European Center for TQM, Bradford University, Bradford, UK.
12. Attending half day workshop entitles "Effective Teaching", July 10, 2008, King Saud University, College of Dentistry in collaboration with Nobel Biocare University Partnership Program, Riyadh, Saudi Arabia.
13. Attending one day seminar entitles "Strategic Planning and Effective Leadership", June 28, 2008, By Prof. Rafik Beekun, Managerial Sciences, University of Nevada, USA. Sponsored by Strategic Plan project, King Saud University, Riyadh, Saudi Arabia.
14. Attending seminar entitles "The Intersections of Planning, Quality Assurance and Accreditation in Higher Education", May 31, 2008, By Dr. Marjorie Peace Lenn, President Center for Quality Assurance in International Education, USA. Sponsored by Quality Deanship, King Saud University, Riyadh, Saudi Arabia.
15. Attending one day seminar entitles "Strategy and strategic Leadership", May 20, 2008, By Dr. Steven Walston, Associate professor and co-director of the University of Oklahoma's Executive Healthcare Training Academy, USA. Sponsored by Quality Deanship, King Saud University, Riyadh, Saudi Arabia.

16. Attending one day seminar entitled "Business Strategies Implementation Successfully", January 14, 2008, By Mr. Robin Speculand the founder and CEO of Bridges Business Consultancy Int. (a global business consultancy specializing in strategy implementation). Sponsored by AME-consultancy, in cooperation with Riyadh chamber of Commerce & industry, Riyadh, Saudi Arabia.

Committees:

Many, here are some of them:

- Member of the Health Colleges Committee, King Saud University, from May 15, 2010 up to date.
