

LIST OF PUBLICATIONS-2006

1. Abdullah MA. Surface detail, compressive strength, and dimensional accuracy of gypsum casts after repeated immersion in hypochlorite solution. *Journal of Prosthetic Dentistry* 2006;95(6):462-8.
2. Al-INazzawi AA, Wazian BDSKAAI. The effect of recasting commercially pure titanium on the marginal fit of cast restorations. *Journal of the Pakistan Dental Association* 2006;15:28-34.
3. Al Bader D, Al-Athel L, wyne A, Chohan A. Oral health knowledge and sources of information in parents of Saudi disabled children. *Pakistan Oral and Dental Journal* 2006;26:101-108.
4. Al Hammad N. Antibiotic prophylaxis for bacterial endocarditis: a survey of current practices among dentists in Riyadh. *Pakistan Oral and Dental Journal* 2006;26:79-92.
5. Al Jebreen T, Abdelhamied YS, A. A-J. Cyclic fatigue of profile rotary instruments in relation to their size and diameter. *Pakistan Oral and Dental Journal* 2006;26:265-270.
6. Al Kathani A. Antibacterial activity of grey mineral trioxide aggregate (MTA) mixed with different vehicles *Pakistan Oral and Dental Journal* 2006;26:261-264.
7. Al Saif K. Clinical efficacy of two at home bleaching products. *Al-Azhar Journal of Dental Science* 2006;9: 193-198.
8. Al Saif K. Water sorption and solubility of organic modified ceramic filling materials *Egyptian Dental Journal* 2006;51:1425-1429.
9. Al Wazzan KA, Almas K, Al Hussaini I, Al-Ahdal KY, Khan NB. Oral health status, hygiene practices and treatment needs among substance abusers. *Egyptian Dental Journal* 2006.
10. Al Zain SA. The effect of metal cleaning methods of a temporary cement on retention of permanently cemented cast crowns. *Egyptian Dental Journal* 2006;52:2087-2092.
11. Al-Dosari AM. Correlative study of fluoride levels in drinking water, dental caries and fluorosis in Saudi Arabia. *Fluoride and Oral Health Symposium*. Kuwait 2006:87-107.
12. Al-Elsheikh H. Influence of disinfection of tissue conditioner functional impression material on stone cast surface qualities. *Egyptian Dental Journal* 2006;57(3).

13. Al-Emran DS, Al-Jobair DA. An assessment of a new reminder therapy technique for ceasing digit sucking habits in children. *Journal of Clinical Pediatric Dentistry* 2006;30(1):35-38.
14. AlEmran S. Congenital absence of permanent second molars:A preliminary study. *Journal of the Pakistan Dental Association* 2006;15(4).
15. Al-Hadlaq SM. Accuracy of the Elements Diagnostic Unit and Apex Locator. *Al-Azhar Journal of Dental Science* 2006;9(2):93-98.
16. Al-Hadlaq SM. Microbial quality of closed-and open-circuit dental unit water systems. *Egyptian Dental Journal* 2006;52(4.1).
17. Al-Hadlaq SM, Al Muggari M, Saad AY. Apical accuracy of root canal fillings performed using the root zx as the sole method of working length determination. *Egyptian Dental Journal* 2006;52(4):2093-2097.
18. Al-Hadlaq SM, Al-Turaiki SA, Al-Sulami U, Saad AY. Efficacy of a new brush-covered irrigation needle in removing root canal debris: a scanning electron microscopic study. *Journal of Endodontics* 2006;32(12):1181-1184.
19. Al-Hajri W, Al-Madi E. Prevalence of Barodontalgia among pilots and divers in Saudi Arabia and Kuwait. *Saudi Dental Journal* 2006;18(3):125-133.
20. Al-Hezaimi K, Al-Shalan TA, Naghshbandi J, Oglesby S, Simon JH, Rotstein I. Antibacterial effect of two mineral trioxide aggregate (MTA) preparations against *Enterococcus faecalis* and *Streptococcus sanguis* in vitro. *Journal of Endodontics* 2006;32(11):1053-6.
21. Al-Hezaimi K, Naghshbandi J, Oglesby S, Simon JH, Rotstein I. Comparison of antifungal activity of white-colored and gray-colored mineral trioxide aggregate (MTA) at similar concentrations against *Candida albicans*. *Journal of Endodontics* 2006;32(4):365-7.
22. Al-Hussyeen AJA, Al-Sadhan SA. Oral hygiene practices and dietary habits among children with Down's Syndrome in Riyadh, Saudi Arabia. *Saudi Dental Journal* 2006;18(6):141-148.
23. Al-Hussyen AA. Child's dental visit, oral health knowledge and source of dental information among mothers of children with Down's syndrome in Riyadh, S.A. *Saudi Dental Journal* 2006;18:8-17.
24. Al-Jebreen T, Saad AY, Al-Jazaree A. Cyclic fatigue of proFile rotary instruments in relation to their size and diameter. *Pakistan Oral and Dental Journal* 2006;26:265-270.
